Court of Claims.

The Garrard county court of claims will meet next Tuesday. All parties holding claims against the county should have them in before that time.

Business about the Court House has been exceedingly dull lately. County Clerk Dunean says if work don't pick up soon some of the officials will have to go to plowing again.

The Western Christian Advocate says: "Mr. Beauchamp sways the emotions of a vast audience at will. Strong sense, keen satire, brilliant repartee, scathing ridicule, and irresistible drollery are mingled in his efforts."

Preaching All Week.

Rev. Henry Faulconer has been preaching in the Presbyterian church every night this week. He is endeavoring to draw out the members and create new interest in the church.

Removals.

Rev. Clark, the Methodist minister, has moved his family into the house on Stanford street recently vacated by W. McC. Johnston. Mr. Johnston and family will move into the Bradley residence on Lexington street.

Telephone Sold.

Mr. J. H. Bastin, of Crab Orchard, has purchased the controlling interest in the Lancaster and Crab Orchard telephone line. He bought ten shares at \$10. The line does a good business and is making money.

New Law Firm.

Messrs Lewis L. Walker and H. W. Batson have formed a partnership for the practice of law and will have their office on Lexington street. They are both hustling young men and will soon build up a lucrative practice.

Col. W. H. Zeigler, prohibition candidate for congress, addressed a fair sized crowd at the Court House Monday. We had the pleasure of meeting Col. Zeigler and find him a model, Christian gentleman.

Preached Sunday.

Mr. W. H. Zeigler, candidate for congress on the Prohibition ticket, preached at the union meeting in the Baptist church Sunday night. He also conducted communion services in the Presbyterian church Sunday morning.

Key Pins.

The Knights of Pythias lodge resumed its meetings Thursday night, after resting through the summer months. A large number were present and indications point to a big revival in the order.

To Visit the Schools.

Miss Eliza Lusk, county superintendent, will during the month of September, visit the schools in the county. As this will take up so much time, she will only be at her office on Saturdays and court day during the month.

Sure Fits.

The wayfaring man, though a fool, could not err in my measure. You are sure to get a fit. If you do not don't take the suit. Come and compare prices and quality of goods. M. D. Hughes, Agent.

Arm Broken.

A high chair overturned with little Christine Merritt Saturday breaking the girl's arm. Mrs. Kinnaird and Grant attended her. The pretty little Miss, while suffering greatly, bears up well under the pain.

Miss Wilkins' First Good Pictures.

The first portraits taken of Mary E. Wilkins which she has ever liked will be printed in the October Ladies Home Journal. There will be nine of them, and they will show the famous New England story-teller at home and with her friends around her.

Dr. Goldstein Coming.

Dr. Goldstein, the eminent optician of Louisville, will be at Hotel Wednesday Oct. 5th, that one day only. If your eyes are troubling you now is the time to correct them with properly adjusted glasses. Delay is both costly and dangerous.

The Wheat.

A great deal of the wheat threshed early, and in sacks and bins—the weevil has made its appearance, and in some instances damaged the wheat very materially. The white weevil has also commenced on the stacked wheat. Would advise all farmers to give prompt attention to their wheat to prevent damage by these insects.

Old Fence.

There are locust posts on Mr. Sim R. Cook's farm that have been doing a service for near 60 years, and are still sound and good. They were put up by Mr. C. C. Stormes, for years Garrard's richest citizen, and who, when a boy, was an expert at putting up post and rail fences.—Stanford Journal.

Land Sale.

Mr. Tommy Robinson, as agent for the Columbia Finance and Trust Co., sold the ninety-one acres of land advertised in THE RECORD to Messrs. Jeff Dunn and J. H. A. Wood for \$2,500. The land lies seven miles from Dan-

ville on the Fisher's Ford road. There is a house and other improvements on the place. It is known as the Jno. L. Smith farm.

Lawn Party.

The lawn party to be given at the residence of Dr. Herring tomorrow (Friday) evening will be a very enjoyable affair. It is to be given for the benefit of the Baptist church. Refreshments will be served. Only 25 cents admission. Go and help a noble cause.

Free.

An imported, bristle clothes brush, made in Germany, value \$1, will be given with each pair of pants, suit or overcoat bought of Howard Tailoring company, and satisfaction guaranteed in price, fit and quality.

M. D. HUGHES, Agent.

The Daddier Mill.

I have rented the famous Edders Mill, near Gilberts Creek, and am prepared to furnish the very best flour. Will make a specialty of custom grinding. Farmers, bring along your wheat and corn. Satisfaction guaranteed. 10-7 JOHN C. POTTS.

Rev. Campbell Returns.

Rev. T. H. Campbell returned last week and preached at the Baptist church Sunday. We never knew a minister to be more universally liked by all denominations than is Mr. Campbell. He is a Christian in every sense of the word and the people, irrespective of denominational ties, should see that he is kept here.

Having rented Daddier's Mill on Dix River, near Gilberts Creek post office, will run an Exchange House in Lancaster, Ky., for the benefit of the farmers. Will keep on hand choice flour, meal, bran, shipstuffs, etc. Call on R. A. Stone, the hustling merchant, on Depot St. for particulars. Hoping to gain your patronage, I remain, JOHN H. POTTS.

Adams.

Mrs. Virginia Adams, widow of Andrew S. Adams, died at her home in this county, Friday. She was in her 71st year. Deceased was a good, Christian woman and had many friends. She leaves the following children: J. L. J. F. A. J. C. M. J. J. M. J. Adams, Mrs. A. B. Brown, Mrs. John Kurtz and Mrs. S. S. Estes. The remains were interred in the family burying ground Saturday afternoon.

Narrow Escape.

While filling a prescription Monday Mr. Jno. E. Stormes came near losing his eyesight. He was pouring from a bottle containing a strong acid and the stuff by some means splashed. Had it not been for him having gone into the burning fluid would have gone into his eyes. Fortunately only a small quantity entered and the clever pill roller escaped with only a day's intense suffering.

Annual Convention.

Christian church, Chattanooga, Tenn. October 13-21 1898. One fare the round trip via the famous Queen & Crescent Route. Tickets on sale from all points, October 10th to 13th, good until Oct. 24th to return. See that your tickets read by the Queen & Crescent. Handsome vestibuled trains Short Line. Free reclining Chair Cars on night trains. Ask your ticket agents for particulars.

Will Probably Remain In.

Reports from Lexington indicate that the Second Kentucky, instead of being mustered out, will be kept in the service. This is no doubt correct, as the regiment is the best the state offered Uncle Sam. It would have been at the front during the war but for the looseness of a political screw somewhere. We don't know where the trouble was, but from all indications there was shenanigan somewhere.

Prices and Quality.

I have 1,000 samples for Fall and Winter Suits, which are offered at the very lowest prices. I make small profits in order to sell. Tailor made suits as low as \$11.25, up to \$30. Ready-to-wear ALL wool suits from \$7.50 to \$18. Come and test the goods and compare prices and qualities, and you will buy. Thanking my old customers, I invite everybody to come to see me before buying.

M. D. HUGHES, Agent.

Yom Kippur.

Mr. J. Joseph closed his store Monday to observe "Yom Kippur," the day of fasting and prayer for the atonement of the year's sins. The entire time from Sunday evening at sundown until sundown Monday evening was spent in fasting and prayer. With the coming of fall and the annual decay of vegetable matter, people are troubled more or less with biliousness. The use of drugs was not known in the time of Moses, and he chose Nature's method of revolutionizing the system—twenty-four hours of continuous fasting from food and drink.

Card from Mr. Rucker.

The neighbors around my property are complaining because I am on a trade with the colored people of Lancaster to sell them my property for a Colored Baptist Seminary. If the people of Lancaster cared for their town as they should, and have the rabble of horse jockeys who collect from time to time on this street, removed, which

is a nuisance to any town, especially on a nice, public street like this one, their property would bring its full value and we would not have to resort to any means to sell as dwellings would sell for dwellings and not public institutions. Respectfully, I. C. RUCKER.

The Prince of Orators.

Hon. J. Beauchamp, the celebrated lecturer, traveler and writer, will speak at the Court House in Lancaster for six consecutive nights, beginning Saturday night October 1st. These lectures are free, with the exception of the last one, to which a small admission will be charged. We congratulate the ladies of the W. C. T. U. on their good fortune in securing such a noted and popular lecturer, and sincerely hope the citizens of the city and county will appreciate their effort by packing the court room on the first night, as well as each succeeding night during the week. Come and bring your boys.

Dr. Young Returned.

The people of Richmond, irrespective of denomination, are congratulating Rev. G. W. Young on the action of the Flemingsburg conference in returning him to this city, as pastor of the Methodist church, in which capacity he has so ably and earnestly labored for the past three years. His application for the field secretaryship to the interdenominational prohibition movement was unanimously recommended by the conference, but the Bishop was loth to loose him from active service in the ministry and sent him back here to finish his four years pastorate of the Richmond church.—Richmond Register.

Dr. Young is a great favorite in Lancaster, where he did excellent work for the temperance people in both their elections. He always has a crowded house when he speaks here.

Should be Remedied.

Passengers for the night trains are compelled to shiver on the platform at the depot or stand in the rain every night. The waiting room is not opened at all and no agent is there to receive or check baggage. The people of Lancaster are working hard to build up travel for these trains and appreciate the great accommodations given by putting them on, but when cold weather sets in it will go greatly against the grain to have to stand in the snow and sleet to wait for them. We believe Mr. Hood will have this remedied, as he is a splendid railroad man and a clever gentleman. To show that our people appreciate the new train the City Council is having a new sidewalk made which will run from the Public Square to the depot, and has ordered lights placed along which are to burn all night, or until the last train arrives. Come, Bro. Hood, don't compel us to eat our bread without any butter.

The Royal is the highest grade baking powder known. Actual tests show it goes one-third further than any other brand.

FRIDAY, September, 30 1898.

A WEST POINT graduate stands about as much show with this administration as would a cat in hades without claws.

Mr. Hobson will stuff the Colon full of politicians he could certainly raise her. The wind-bag plan could be carried out to perfection.

THE daily papers must have a big lot of display and poster type for sale since the war closed and they can no longer use the jack-bill headlines.

MR. McKINLEY's second-fiddlers have caused the old gentleman a heap of trouble. He stands by his assistants however, and if there is any way to cover their shortcomings he does not hesitate to do so.

GEN. E. H. HOBSON was elected president of the National Mexican Veterans Association last week. This was an honor richly bestowed. Gen. Hobson is a gentleman of the purest type and his record as a soldier is perfect.

HON. GEO. M. DAVISON, the republican candidate for congress, will open his campaign by making a speech at Richmond, Monday. Mr. Davison will make an active canvass from now on and little grass will be allowed to grow under his feet.

GOV. BRADLEY refused to pardon a young dude for carrying a pistol and endorsed on the application these words: "The fact that young Skelton is of a good family does not excuse him, but rather aggravates the offense. The prompt punishment of young men of good family will have a salutary effect."

LIEUT. HOBSON has at last succeeded in floating the Maria Teresa. The cruiser was towed to Guantanamo Bay and will be put in condition for its trip North. Hobson says he can raise the Colon by means of air bags, but some superior officers are hampering him by objections to the attempt. Let him try it. There'll be no harm done if he fails.

A REPORT has been going the rounds of the Kentucky press to the effect that Hon. R. H. Tomlinson, of this city, is a candidate for attorney general, but Mr. Tomlinson tells The Record he is not a candidate. He has always been an ardent worker for the cause of democracy and if he wanted the office his party would be paying a debt of gratitude to give it to him.

THE Mexican Veterans had a nice time at Harrodsburg and Louisville. This is an organization which should be kept up as long as any of the old vets are alive. It is all very well to keep alive a war with a foreign country, but we do not believe in meetings of veterans of the civil war; for the simple reason that a family quarrel will never die out as long as members of the household continue to talk about it.

THE soldiers are proving a gold mine for the merchants at Lexington. That city has a great many hustling business men who keep a weather eye open for the city's interests and whenever there is an opportunity to bring a crowd there they put their shoulder to the wheel and pull together. They get what they go after and if sleepy, old Louisville don't wake up and shake off the hayseed the Blue-grass Capital will soon forge ahead of her.

WHEN the great battle ship "Kentucky," sails the high seas she will carry the name of our beloved Commonwealth to people who have not so much as heard of us before, and it should be the pride of our people to see that she has nothing inferior to any ship on the waters. The people of the state should not ignore this matter, but see that a silver service is placed upon her which is just a little better than any ever presented other ships.

POINTING to the stars and stripes floating over Manila, Admiral Dewey said: "I hope it floats there forever, forever. It is strange that we have wrested an empire from those people, and that with the loss of only a few men. Our navy did most remarkable work. If I were a religious man, and I hope I am, I should say that it was the hand of God. I remember, when we engaged the fleet, seeing shells fired directly at us, and I do not understand under heaven why we escaped."

SOME reports have it that a document, very hostile to the United States, is being circulated in Eastern Cuba. On the other hand in an interview with the Courier-Journal correspondent at Santiago Gen. Garcia confirms the impression that his good will may be counted on by the United States. He declares the Provisional Cuban Government is mythical—a name only, the republic of Cuba being as yet only represented by the army in the field. He says the only government in Cuba is that of the United States, which he fully recognizes, and that it is the duty of the Cuban soldiers to lay down their arms and go to work "under the protecting arm" of the United States to build up Cuba.

STATE NEWS PICK-UPS.

THE STATE GUARD.

Speculation as to its Reorganization—The Track Regiment May Not Be Reinstated.

FRANKFORT, Ky., Sept. 24.—There is some interesting speculation here concerning the reorganization of the Kentucky state guard. All of the military companies in the state were mustered out of the service of the state when war was declared, and since then only three or four new companies have been organized to take the place of these regiments. Gov. Bradley will not discuss the matter, but it is semi-officially stated that he will not reinstate the 1st and 2d regiments, two of the oldest and the crack regiments of the state. The 1st doing garrison duty in Porto Rico under command of Col. Castleman, Gov. Bradley's bitter enemy. The 2d comprises among others the Covington and Newport companies and was recently ordered out of the service of Uncle Sam. Col. Gaither and Gov. Bradley are said to be on not much better terms than Bradley and Castleman.

No Coolness Between Bradley and Gaither. FRANKFORT, Ky., Sept. 27.—Gov. Bradley denies that there is any friction between him and Col. Gaither, of the 2d regiment. He says the talk of a coolness is absolutely unfounded. He further says: "I am reorganizing the state guard and of course, I can not wait till the regiments now in the volunteer service shall be mustered out in order to reinstate them in their old places in the state guard service."

BIG TIMBER DEAL.

Saw Mill Plant and 25,000 Acres of Timber Land Near Irvine Sold to An English Syndicate. RICHMOND, Ky., Sept. 23.—Through real estate agents G. W. Evans and C. E. Smith, of this city, a deal was closed at Irvine by which 25,000 acres of valuable timber land, a large part of which is virgin forest in Knott and Perry counties, were transferred to an English syndicate represented by Ernest Fawke, of Liverpool, Eng., and Alex. Frazier, of Toronto, Can. Included in the deal was Ingles' saw-mill at Irvine, one of the largest along the Kentucky river, which will be utilized in turning timber into lumber to supply mammoth furniture factories, which the syndicate will erect in Cincinnati. The transaction represented an investment of \$100,000, and was the biggest timber deal made in Kentucky in recent years.

BROKE HER NECK.

An Aged Lady Falls Headlong Down Stairs at Louisville, Ky., With the Above Result. LOUISVILLE, Ky., Sept. 26.—Mrs. Catherine Stelsey, aged 75 years, fell down the steps Sunday night at her home at Payne street and Baxter avenue and sustained a broken neck. Death resulted in a few minutes. Shortly before 10 o'clock Mrs. Stelsey started up the steps to her room. She had nearly reached the second floor when the lost her balance and fell headlong down the stairs. She was immediately picked up by a grandson and carried to her room. A physician was summoned, but before he arrived Mrs. Stelsey was dead. He found that the woman's neck had been broken.

The Driver Drowned. PINEVILLE, Ky., Sept. 27.—William F. Griggs, a prominent Baptist preacher, was drowned in Greasy creek, six miles from here Monday afternoon. He was crossing the stream when his horse was mired in quicksand, throwing Griggs into the stream and drowning him instantly. Griggs was from Union county, Tenn., and had been in this county about two months organizing Sunday schools.

Can Not Fight in Kentucky. FRANKFORT, Ky., Sept. 24.—Gov. Bradley, upon receiving a telegram conveying the rumor that arrangements are being made to have the Corbett-McCoy fight in this state near Cincinnati, issued a proclamation Friday warning all persons not to attend the same and directing the peace officers of the state to take steps to suppress the fight if attempted in Kentucky.

Louisville Man Killed. MIDDLEBORO, Ky., Sept. 26.—Jake Vanbebers, of Virginia, shot and fatally wounded William D. Denham, of Louisville, here. The crime, it is alleged, was unprovoked.

Rapid Dogs in Mercer County. HAHNSBURG, Ky., Sept. 27.—The mad-dog scare in Rose Hill precinct continues. William Taylor's six-year-old child and a number of cattle, etc., were bitten about ten days since. Another dog, belonging to Chris Peavler, went mad Wednesday last and bit Mrs. Tom Peavler. Mrs. Peavler was taken to Junction City, where a madstone was applied. A valuable horse belonging to Dallas McIntyre that was bitten nine days before went mad and had to be killed. The dogs in that precinct have all been exterminated.

Killed Over a Crap Game. OWENSBORO, Ky., Sept. 26.—Sunday morning John Smallwood was shot and killed by Dick Wilson in a dispute over a nickel in a crap game. Both are colored. Wilson surrendered, but claims accidental shooting.

Must Pay the Taxes. FRANKFORT, Ky., Sept. 27.—In the circuit court Monday Judge Cantrell rendered a judgment against the Western Union Telegraph Co. in favor of the state of Kentucky for \$4,600 for unpaid franchise taxes.

WANTED TO DIE.

Herbert Klem and Miss Lettie Green, Found Unconscious—Both Had Taken Morphine But Will Recover.

VERMILION, Ky., Sept. 23.—A sensation was caused by the finding of Herbert Klem, a harnessmaker, age 23 years, and Miss Lettie Green, aged 17, in an unconscious condition in a room of Daniel Green's residence, both having taken morphine. Both were fully dressed. Two notes were found. One written by Klem stated that he had lost his situation and would be better off dead.

Miss Green's note said she loved Klem better than any one in the world, and preferred dying with him to living without him. They asked to be buried side by side. After working with them several hours physicians restored them to consciousness, and it is believed both will recover.

Klem and Miss Green had been sweethearts for some time. Klem had been drinking hard for several weeks and both became despondent.

HOSPITAL REFORM.

Every One in Authority is Disciplining His Subordinates—Nurses Sent to the Guardhouse.

LEXINGTON, Ky., Sept. 27.—At the division hospital nearly everybody is being disciplined. Gen. Sanger, having been talked to by the secretary of war, is now doing the same thing to the men under him. Sunday night he arrived at the division hospital at 7 o'clock, the hour at which watches are changed. He found that day doctors had gone off before night doctors came, leaving the wards without a sufficiency of medical help. As he could not find the doctors he began his work with the ward men, clerks and anybody he happened to see. When he left Dr. Garrett went the rounds of the wards. He found half a dozen male nurses asleep, and they were promptly placed in the guardhouse.

Horrible Suicide.

BOWLING GREEN, Ky., Sept. 24.—Mrs. Rainey Johnson, aged 30 years, who resided near Auburn, Logan county, arose from her bed Friday morning, carefully dressed herself, saturated her clothing with kerosene oil, applied a lighted match, and burned herself to a crisp from the knees to the shoulders. She lingered in great agony and died at noon. No reason is known for the dreadful deed.

Gov. Bradley Reviewed the Troops. LEXINGTON, Ky., Sept. 24.—Gov. Bradley and staff arrived here at 11:30 Friday morning and reviewed the 3d division in the afternoon. Two regiments of colored immunes marched through the town and took part in the review, which they did not do when Secretary Alger was here. Many strangers were in town to witness the review.

Insurance Company at Bowling Green. BOWLING GREEN, Ky., Sept. 27.—An insurance company has been organized called the Planters' Insurance Co. Its object is to insure farm and detached property, which, it is claimed, can be done at much cheaper rates than the regular companies charge.

Facts About Bankruptcy.

Petitions for voluntary bankruptcy may be tried now under the new law which went into effect July 1. For involuntary bankruptcy, not before November 1.

By a "voluntary" bankrupt the law means one who files his own petition without waiting for his creditors to raise callous spots camping on his neck.

A voluntary bankrupt files with his petition a schedule of his debts and his property.

If the court decides the petitioner a bankrupt a meeting of the creditors is called.

Here the bankrupt may speak freely. His explanation may never be used against him in criminal proceedings. The creditors select a trustee. He winds up the business and pays dividends.

After a month the bankrupt may apply for a discharge. Notice must be given to creditors. If the bankrupt has satisfied all requirements he is entitled to release.

In involuntary bankruptcy proceedings are begun by the creditor or creditors, who allege an "act of bankruptcy" and ask a decree.

Transferring property to defraud creditors would be an act of bankruptcy, or transferring property while insolvent to certain creditors with intent to give them an advantage over other creditors.

The bankrupt is entitled to trial by a jury upon questions of fact raised in the petition.

After a decree of bankruptcy is given the proceeding is an involuntary bankruptcy.

In either class of bankruptcy the judge may name a referee to consider either the entire matter or certain questions to be considered and reported upon.

If the creditors want the bankrupt to continue in business he may offer terms which may be accepted in writing by a majority of the creditors. The judge may hear an application to confirm the term and grant, if he deems the arrangement fair to the creditors, and if the bankrupt has done nothing contrary to law.

After one month the bankrupt is entitled to a discharge unless he has committed an offense punishable by imprisonment under the act, or destroyed his books with fraudulent intent, or for similar reasons failed to keep books.—Ex

Sensational Suit.
Mrs. Emily Sanford Briscoe, of Covington, has filed suit for divorce against her husband, Prof. Frank L. Briscoe, teacher of music in the public schools of that city.

The plaintiff in her petition alleges that they were married June 24, 1891, and the result of their union is a child, Nila Guy Briscoe, aged six years. She charges the defendant with cruel and inhuman treatment toward her, and with false accusations of her unchastity. She further alleges that the defendant has the title to a tract of land in Jessamine county, Ky., known as the Palisades, better known as the Higin Bridge Camp Meeting Grounds. She claims that while the title of the property is in her husband's name, by her own industry and earnings she has paid \$4,000 of the \$5,000 purchase price, besides improvements placed on said property amounting to \$2,500, and that he is threatening to dispose of the above-described property, and that if necessary to keep her from enjoying it he would set fire to the cottages and destroy them. She further claims that the defendant is an improper person to have the care or control of the child. The plaintiff prays for an absolute divorce on the above grounds, for the care and custody of their child, for an allowance of alimony and further asks that the defendant be enjoined and restrained from coming about her or her child, or in any way molesting or disturbing her or the child until further orders of the court. In the absence of Judge Tarvin, the restraining order asked for was granted by County Judge M. T. Shine.

Mrs. Briscoe, who is a most charming lady, is well-known in Danville and has many warm friends throughout Central Kentucky who will sympathize with her in her domestic troubles. She is a sister of Mrs. Oscar Taylor and Mrs. May Burd Alexander.—Danville Advocate.

H. M. BALLOU.

Ellie King and Lillie Leavell, entertained the audience with recitations. The exercises were interspersed with delightful music, which was under the efficient management of Mrs. William Smith. One feature was a patriotic song—"Red, White and Blue"—by the children. Miss Eliza Lusk, our worthy Superintendent, was present, greeting her many friends, and reports the meeting to be one of the most enjoyable and profitable she ever attended. Among others present were Miss Janie Lusk, Prof. Postle and Prof. Patterson, Principal of the Lancaster Graded Schools.

By no means least among the enjoyments of the day was a very bountiful dinner served by the citizens of Buena Vista and vicinity, in the shade of the beautiful trees in the yard.

The people of Buena Vista have become very much interested in the cause of education and made the day one long to be remembered by all present. Much credit is also due Miss Anderson, the chairman of the Association. The following resolution was adopted:

WHEREAS, It has pleased Almighty God in His infinite Wisdom to remove from our midst our fellow-teacher, Mrs. America Harris; Therefore, be it

Resolved, That in this death the teachers of Garrard county suffer an irreparable loss, as she was an honor to her profession, and beloved by all, and that our sympathies are extended to the family and relatives of the deceased.

A CRITICAL TIME

During the Battle of Santiago.

SICK OR WELL, A RUSH NIGHT AND DAY.

The Packers at the Battle of Santiago de Cuba were all heroes. Their Heroic Effects in Getting Ammunition and Rations to the Front Saved the day.

P. E. Butler, of pack-train No. 3, writing from Santiago, de Cuba, on July 23d, says: "We all had diarrhea in more or less violent form, and when we landed we had no time to see a doctor, for it was a case of rush and rush night and day to keep the troops supplied with ammunition and rations, but thanks to Chamberlain's Colic, Cholera and Diarrhoea Remedy, we were able to keep at work and keep our health; in fact, I sincerely believe that at one critical time this medicine was the indirect savior of our army, for if the packers had been unable to work there would have been no way of getting supplies to the front. There were no roads that a wagon train could use. My comrades and myself had the good fortune to lay in a supply of this medicine for our pack-train before we left Tampa, and I know in four cases it absolutely saved life."

The above letter was written to the manufacturers of this medicine, the Chamberlain Medicine Co., Des Moines, Iowa. For sale by E. E. McRoberts.
